Metal

Treasured for strength, durability and elegance, our metal caskets are available with a variety of styles, colors and features.

All Batesville metal caskets pass stringent factory testing to ensure their quality and integrity.

Metal structural and design features

With a Batesville casket, you'll have peace of mind knowing that many design features add up to exceptional quality and structural integrity.

- A** Perfection cut prevents rubbing as head cap is raised and lowered, protecting against damage.
- B** Adjustable bed and mattress.
- C** One-piece gasket creates an effective closure between the top and bottom of the casket and helps resist the entrance of gravesite elements.
- D** Memorial Record® system allows external identification without opening the casket.
- E** Slotted wedge bar, pull-down studs, pressure-equalizing hinges, and locking mechanism.
- F** Casket is chemically treated to prevent corrosion.
- G** Continuous seam welding for added stability.

Not all features available on all units.

Some products qualify for the Living Memorial® Program.
Please visit Batesville.com for more details.

Wood

The choice for families who appreciate the warmth and beauty of natural wood. Our wood caskets are expertly crafted with the finest materials and finished with a multi-step process for exceptional appearance.

Wood structural and design features

With all these features, it's easy to see why families prefer Batesville caskets.

- A** Adjustable bed and mattress.
- B** Multi-step finishing process for exceptional appearance.
- C** Memorial Record® system allows external identification without opening the casket.
- D** Safety bottom: bed is attached to the vertical head and foot panel members, relieving casket bottom of stress from weight of bed and contents.

Applies to Batesville-branded caskets only.
Not all features available on all units.
